*Note: From the above three subject streams, the selection to **Option one** is based on the PET test result placement criteria.*

Provincial Coordinators, RSCs and CSCs Directors must provide relevant academic counselling for students regarding the recommended courses in each stream. Options should be discussed carefully considering the student's chosen career before choosing the stream when enrolling into Grade 11.

FODE will certify for the successful completion of 6 subjects. Five (5) subjects are examinable while PD will be assessed internally.

Each stream has three (3) options to choose from. Options will vary with the subject combinations as applicable in each stream.

Matriculation Studies Program is a bridging course before entering into Tertiary Education. Also the Grade 10 and 12 students from mainstream schools can upgrade their subjects through MSP Program. Upgrading students should never be given the new and aligned curriculum. Upgrading course fee is K110 per subject.
